Unit Summary

The Aspiring Writers Program starts with the foundation of idea development and basic writing structures. At each level, students practice the important steps pf the writing process. As students progress in the program, they learn level-appropriate literary skills and techniques to hone their writing skills.

These skills are developed through reading and evaluating texts; teacher instruction and modelling; close attention to the writing process; and regular feedback on activities and assignments.

Progress Summary

The goal of the course is to teach students how to empathize with and define problems in an ever-changing world.

It teaches them how to brainstorm, design, test, and re-test solution to those problems.
